

# Design the official EOS Thank You card

Squirt has a new challenge for you!

Eczema Outreach Support

Lots of people fundraise for us, health professionals come along to our events and people help in other ways too. We would love to have a really special Thank You card to send to everyone who helps us. That's where you come in!

Can you design the front of our new Thank You card? Any design you like - just use plenty of colour and have some fun! If you can't print this form, ask your parent to draw a box 18cm by 18cm, create your design in the box and email a photo of your design to [club@eos.org.uk](mailto:club@eos.org.uk).

All entrants will receive a certificate and also be in with the chance of winning a £10 voucher! There are two age categories, 3-6 and 7-10 and we will choose winners in summer and when the contest closes on February 28, 2021.
