

Scottish Charitable Incorporated Organisation SC042392

Treasurer/Trustee

Do you have accounting experience, especially from the charity sector, and would you like to help make a difference to children and young people affected by eczema?

Eczema Outreach Support (EOS) is a UK-wide charity providing support to children and young people affected by eczema and their families. Eczema is much more than itchy skin and we deliver tailored emotional and practical support to our members, alongside raising awareness about the condition in schools and with the general public (www.eos.org.uk)

We are looking for a treasurer to join our board of trustees.

As treasurer you will be joining an existing team of both new and experienced trustees to support EOS's mission and strategic direction over the coming years.

All trustees are expected to:

- Attend quarterly Board meetings in January, April, July and October. These usually take place on Thursday evenings and can be attended remotely.
- Attend the annual away day

While financial matters are the responsibility of all trustees, we require a Treasurer with particular understanding of accounts and financial risk management to take the lead on behalf of the Board (we are particularly keen to hear from people with experience in charity accounts.)

The Treasurer is therefore also expected to:

- Monitor the financial administration of the charity through at least quarterly meetings with senior staff
- Report to the board of trustees on financial matters
- Support senior staff with the charity's financial risk-management process
- Act as a signatory for bank matters including on occasion authorising payments
- Present the annual accounts at the AGM

This position is not remunerated but all expenses and travel will be reimbursed.

And you get to help make a real difference to the lives of children and young people affected by eczema!

If you think you could be the person to help further the work of Eczema Outreach Support, please send your CV and a few lines about yourself and why you would like to take on the role to recruitment@eos.org.uk. You can also email us on the same address if you would like a chat first or more details about the role

Eczema Outreach Support's strategy 2020-2024

Our vision is that Families with eczema in the UK flourish in a society where they can lead healthy and fulfilled lives.
We won't give up until every child and their family get the help they need throughout their eczema journey.

We offer direct support and empower families with eczema so they can cope better with the impact of the condition on their life.

1-1 support from a team of Family Support Workers

Tailored welcome pack for the whole family with specialist resources

School workshops and help with **school healthcare planning** for individual families

We encourage children and adolescents with eczema to engage in their own care and build confidence together.

High 5 Club for children aged 3 to 10 : fun eczema resources, competitions, pen-pal scheme and workshops at events

XY Club for adolescents aged 11 to 17 : eczema guides, teen app, Instagram group, outings and self-management events

We break the isolation of families with eczema through opportunities to meet, learn and support each other.

Learn & Share events for families and healthcare professionals to gain knowledge and meet others

Face to face & online meet-ups and webinars by theme

Online community

Our wider impact: we improve UK statutory services and raise awareness of eczema globally (*overleaf*).

Healthcare : we improve HCP's patient education, encourage research and contribute to service improvements by sharing our families' experiences.

Education : we make eczema support guidances accessible to all schools in the UK.

Awareness : campaigns targeted at policy makers and the public.

Our 3 Family Support Outcomes - By accessing our services, children with eczema and their families in the UK are more:

- 1. Confident** – Children of eczema and their families have increased their confidence in their self-management and coping skills.
- 2. Supported** – Children with eczema and their families feel more supported in regards to dealing with the condition and its impact on life, including at school and with their healthcare providers.
- 3. Connected** – Children with eczema and their families feel more connected with others by having access to a community of peers.

Our 10 Wider Impact goals - To enhance our Family Support outcomes, we work in partnership with other sectors and organisations nationally and globally to make a wider positive impact on services (healthcare, education and voluntary) and society:
